Brunswick, GA (April 8, 2021) The highly anticipated Residence Inn Brunswick (116 Gateway Center Blvd.) located in the Golden Isles' Port City of Brunswick, GA officially opened its doors to guests on April 8, 2021. The hotel, just off Interstate 95, is the newest hotel to open in the Brunswick area, and boasts 112 beautifully appointed suites with fully equipped kitchens. The Residence Inn Brunswick, owned by BPR Properties and managed by LBA Hospitality, is the closest hotel to the Golden Isles Airport (BQK) and the Federal Law Enforcement Training Center (FLETCO).

"We are excited to add another Residence Inn to our portfolio," said Farrah Adams, Chief Operating Officer of LBA Hospitality. "This Residence Inn is placed perfectly in the community, with convenient access to I-95, the Golden Isles Airport, and will serve leisure travelers who are traveling to Brunswick or the neighboring Golden Isles of Georgia

Designed for longer stays, each spacious studio and one-bedroom suite offers a fully equipped kitchen, complete with a refrigerator, stovetop, microwave, and countertop appliances. Guests of the Residence Inn Brunswick can enjoy complimentary hot breakfast each morning, catch up on their favorite Netflix or Hulu series on their in-room Smart TV, and relax after a revitalizing workout in the hotel's state-of-the-art fitness center. The thoughtfully-designed outdoor space features a sparkling pool, a putting green, a cozy firepit area, and built-in grilling stations for guests to prepare a home-cooked meal.

For the business traveler, the property provides a business center and 650 square feet of meeting space to accommodate small, socially distant meetings or events.

Nestled in a community with so much natural beauty to experience, the Residence Inn Brunswick will serve as a home-away-from-home for its guests as they explore the many area attractions – lakes, beaches, marshes, the maritime forest and barrier islands, as well as world-renowned golfing in the neighboring Golden Isles of Georgia. The Golden Isles, the Intercoastal Waterway, and nearby Jekyll and St. Simons Islands provide infinite possibilities for guests to explore the outdoors, relax on the sand, tee-off for a round of golf or just have fun on the water.
